

On 8/20/08 the July 20 Monthly report was amended to make a correction. The individual contributions that made up the 6/9/08 transfer from McCain Victory 2008 were originally reported as memo entries on Line 11. This amendment correctly reports these memo entries on Line 12.

Additionally, as the memo text on the 6/9/08 transfer notes, there are two donors whose contributions through this transfer exceed the \$10,000 limit. This error has been corrected on the most recent transfer from McCain Victory 2008 on 8/1/08 and will be reported accordingly with the September 20 Monthly Report.
