This report is being amended to correctly report the Column B figures for the Summary information to agree to the previously amended report. The April 15 Quarter Report was amended to correctly report the loan of \$250,000 on March 1, 2012 from the candidate that was originally reported as a contribution. The campaign was not able to obtain the occupation and name of employer for all of the individuals who contributed in excess of \$200 in the election cycle. This report is being amended to report this information for the contributors that have responded to the campaigns Best Efforts requests and to provide a detailed description of the campaigns procedures for requesting the information. Best Efforts procedures were used to obtain this information. In the campaigns original solicitation the request of the contributors information was clear and conspicuous and informed the contributor of the requirement of federal law for the campaigns requirement to report such information. (11 CFR Section 104.7(b)(1)) If the information was not provided, the campaign made one follow-up, stand alone effort to obtain this information. This effort occurred after receipt of the contribution and was normally in the form of a written request. (11 CFR Section 104.7(b)(2)) The request clearly asked for the missing information, without soliciting a contribution, informed the contributor of the requirements of federal law for the reporting of such information, and where appropriate, included a pre-addressed return envelope. In accordance with 11 CFR Section 104.7(b)(4) the campaign is filing this amended report to provide the missing information and a detailed description of the campaigns procedures for requesting the information.
