This Form 99 is in response to your Request for Additional information dated April 19, 2022 regarding the Committee's April Quarterly Report.

In regards to the first item in your letter, the Committee made all necessary refunds or made a proper reattribution within 60 days of receipt of all individual contributions identified. The Committee's July Quarterly Report will reflect these refunds and reattributions. The apparent excessive contribution from Prairie PAC was the result of a duplicate record in the filing database. The Committee filed an Amended April Quarterly to properly reflect the March 31 contribution as designated to the general election. Additionally, the Committee's Amended April Quarterly Report properly designated to the primary and general elections the contributions received from the two committees not qualified for multi-candidate status.

Finally, the Committee refunded the contribution received from the unregistered organization identified in paragraph 2 of your letter. The refund will be reflected on the Committee's July Quarterly Report.
