Regarding the amended April Quarterly Report received 5/11/2022: Looking at the list of possible excessive contributors provided by the RFAI, there are donations which needed to be redesignated to General and corrected. In addition, there were in deed over contributors. While these should have been refunded in a normal circumstance, due to the court ruling regarding redistricting in NY, we are legally able to accept the extra contributions which went into the special Primary election fund. These redesignations will show on the October 15th Quarterly report to be filed.
