I am seeking the Office of Presidential Elector at the Nevada Stte Democratic Party Convention (and in November), which is a Federal Office. Because of the Coronavirus, I need to run digital ads (probably a hundred bucks or so) for my campaign at the Virtual State Convention. Google Ads requires a registered federal campaign committee in order to run political content, so I am filing this as a candidate for Presidential Elector, which is a federal office spelled out in Article II of the Constitution. In Nevada, we select electors through a election at the Democratic Convention and then through the Fall election. I am not seeking to be a Representative for Congressional District 2.
