Dear Mr. Mills:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule B supporting Line 28(b) of your report discloses a negative disbursement to Corzine Committee Inc. for "check returned uncashed." If a check written by your committee to a federal candidate/committee was not cashed, you should itemize the voided check on Schedule B supporting Line 23 as a negative entry. Line 28(b) is used for refunds of contributions received from political party committees. For more information on voided returned contributions, please refer to the Campaign Guide.

Any amendment or clarification should be filed with the Federal Election Commission. Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.

Sincerely,
