Please accept this response to the Requests for Additional Information referenced below.

For the letter dated 1/12/21 reference the 12 Day Pre-General Report (10/1/20-10/14/20):

An amendment was made to the July Quarterly report after the Pre-Primary & October Quarterly reports were filed, but before the Pre-General report was filed creating a discrepancy in the Column B totals. The Pre-Primary and October Quarterly report have been amended to correct this.

For the letter dated 1/12/21 reference the 30 Day Post-General Report (10/15/20-11/23/20):

1. The excess contribution from Sarah Garner for \$5,600 was presumptively designated toward the Primary 2022 election and the report has been amended to correct the original filing. Donor was sent written notice of the presumptive redesignation and was provided with the option to have the excess amount refunded.

2. With regard to the American Gas Association PAC, Comcast Corporation & NBCUNIVERSAL PAC and American Property Casualty Insurance Association PAC contributions, these contributions were all received by an agent of the Committee on 10/20/20 and correctly reported on 10/21/20 in a 48-Hour Notice. When these contributions were physically deposited on 10/29/20, some were inadvertently reported again in duplicate on a 48-Hour Notice on 10/31/20. The 10/20/20 receipt date originally reported on the 48-Hour Notice were correct. The Post-General report has been amended to correct the date to 10/20/20 for all of these contributions, and the 48-Hour Notice originally filed on 10/31/20 has been amended to remove the duplicates.
