Re: October Quarterly Report

This submission responds to the Commission's letter of April 19th regarding AFT Solidarity's October Quarterly report:

1)With respect to your request for additional information pertaining to Line 6, no contributions were received by Solidarity to make or to further independent expenditures. Solidarity is a union treasury account of the AFT and is composed solely of member dues. Accordingly, there are no contributors to itemize.

2)With respect to the date of dissemination on the original 48 hour report filed for the \$14,375 independent expenditure disbursed to the Smoot Tewes Group, the date of payment was inadvertently listed. The correct date that this independent expenditure was first disseminated was October 2, 2016. Accordingly, the 48 hour report was not late, and an amended 48 hour report is being filed. In addition, amendments to the October Quarterly and Year-end report will be filed to reflect the correct dissemination date.
