Reference: Request for Additional Information issued on 6/09/2024

Mr. Harkins,

The Request for Additional Information states that the committee may have failed to file one or more last minute 48 hour notification reports during the 48 hour reporting period. All notices were filed correctly and on time with the exception of two contributions, which were filed late.

Nathaniel Moran for Congress has very firm, written procedures in place for 48 hour notification filings. Through our compliance firm, the Committee provides multiple notifications of the 48 hour requirements to all fundraisers, agents, and staff of the Committee, both prior to and repeatedly during the 48 hour filing period. All relevant parties provide documentation and verify all contributions and provide them to our compliance firm for filing. All contributions are further sent overnight to the compliance firm to physically verify, file, and deposit.

In two instances, in the last days prior to the election, a caging firm inadvertently failed to scan and overnight two last minute contributions, which were received near the end of the 48 hour reporting period. As soon as the compliance firm received the packages and realized the omission, reports were filed immediately to ensure that they were placed in the public record. The campaign is very serious about following the law and proper procedures and has always acted in good faith to adhere to Federal election regulations. Further, the campaign has reviewed and reiterated its procedures internally and has taken actions to ensure that such a situation does not re-occur.

Sincerely,  
Tony Kent Morgan  
Treasurer  
Nathaniel Moran for Congress
