Subject: Filing of Forms

Dear Madam/Sir:

Enclosed please find the forms dispatched completed to the best of my ability. It is very doubtful that I will receive any contributions and/or physical assistance from anyone regarding my campaign. However, I have made computer (disk) for expenditures and, if any, donations.

It is sad to admit but in my district in Kentucky, religion and free anything are the priorities of the many. Congressman Rogers, the incumbent, has afforded millions, if not billions, for the region during his twenty plus years in the House of Representatives. In this light, a cartoon in one of the area newspapers illustrated President Bush in front of a large pig. Sections were marked off. The front half was for our children to pay. The rear half was for our children's children to pay.

I realize I am providing information you did not ask for or do not need but the major problem in our country is that we do not have a government of the people. What we have in Congress are individuals with dual loyalty that force the presidential administration to wage war against non-aggressive nations because of their religion and probably threat to Israel's aggression to fulfill a unproven religious prophesy of a greater Israel. Naturally, the countries for inclusion into Israel are: Jordan, Lebanon, Palestine, and Syria. We destroyed the only viable military force in the region capable of undermining Israel's goal and that nation was Iraq.

RECEIVED  
 FEC MAIL  
 OPERATIONS CENTER  
 2004 FEB - 5 A M 16:

Since 1960, an individual running for the Chief Executive of the United States, the President of the United States of America, has to promise the Zionist and evangelical Christians that Israel will receive whatever the Socialist State needs to fulfill the prophesy previously identified. However, those dying are American military personnel, the treasury being robbed is the United States' and our country has become the international bully.

Do I receive an identification number or will said number be assigned should I go over five thousand dollars in expenditures?

Thank you for your attention and, hopefully, a response.

Respectfully,

BILLY RAY WILSON
