REFERENCE: APRIL QUARTERLY REPORT (01/01/2026 - 03/31/2026)

Dear Mr. Harkins,

This statement is in response to the Commission's letter to the Committee dated July 6, 2026, regarding three (3) items on the above-referenced report ("Original Report").

First, the Commission's letter requests clarification regarding contributions from fifteen (15) individuals that appear to exceed federal contribution limits. Thirteen (13) of the referenced individuals had their excessive contributions returned to a joint fundraising committee ("JFC") in which the Committee participates for proper reallocation. The Committee has corrected the election designation for one (1) of the referenced individuals. One (1) of the referenced individuals had his excessive contribution properly and timely redesignated. The corrective actions are reflected on an Amended Report or will be reflected on a subsequent report, as appropriate.

Second, the Commission's letter requests clarification regarding contributions from two (2) political committees that appear to exceed federal contribution limits. The Committee has provided the correct election designations for the referenced contributions, as will be reflected on the Amended Report being filed concurrently with this response.

Third, the Commission's letter requests clarification regarding contributions from one (1) candidate committee that appears to exceed federal contribution limits. The Committee has provided the correct election designation for the referenced contribution, as will be reflected on the Amended Report being filed concurrently with this response.

Please feel free to contact us if you have any further questions.

Sincerely,
