Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

-Your amended report discloses additional receipts totaling \$36,128.27 on Line(s) 11(a)(i) and 11(a)(ii) of the Detailed Summary Page that were not disclosed on your original report. Please provide clarifying information as to why this activity was not disclosed on your original report. 11 CFR §104.3

The Commission notes your memo text in which you state, "As a result of a voluntary internal review of our records, this report is being amended to disclose additional contributions from individuals, now properly disclosed on Lines 11ai and 11aii of the Detailed Summary Page and itemized on Schedule A supporting Line 11ai as appropriate. The amendment also carries forward an amended balance from a previous report and the affiliated corrections to the overall transaction totals itemized on the Summary and Detailed Summary Pages. Note that the PAC has taken steps to prevent such an omission in the future. Please update your records accordingly."

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the

Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
