We are filing an amendment for previously filed September 2018 monthly report, FEC-1262800. Through our annual audit, which is currently being conducted, it was discovered that the original report, FEC-1262800, failed to include an earmarked donation from Jondelle Jenkins, DPM directed to Robin Kelly for Congress. We correctly reported the earmarked disbursement to Robin Kelly for Congress campaign on our Pre-Election Report, FEC-1281643. Today, we will be filing the amendments to the September 2018 Monthly Report, and then amendments to all subsequent reports to rectify this error.
