Please note that the PAC is aware that we follow an alternate method of itemizing payroll receipts rather than the suggested manner of disclosing a single total for the reporting period along with the amount deducted per pay period. Because the amounts collected per pay period may change often during the time covered by a single report, we find that reporting individual deductions separately more accurately discloses how the receipts are collected.

Our original report disclosed a clerical error on Line 37, Column B, and our first attempt to correct the error was unsuccessful. The correction to Line 37, Column B is the only change to this report and does not affect any totals or substantive data.
