This memo is in response to the RFAs sent to Ryan For Congress, Inc. C00330894 on March 7, 2017, referencing the 12 Day Pre-General Report.

- 1) We have made the adjustments by reallocating the funds to a different participant committee in the joint fundraising committee pursuant to the Joint Fundraising Agreement all as appropriate and in compliance with the law. The changes will be reflected in the April Quarterly report.
- 2) Indian Hill is an acceptable donor. They are a non-corporate donor and the partnership memos associated with their donations are \$200 or less and didn't pull on the report because they are under the itemization threshold.
- 3) I have made the changes and amended the 12 Day Pre-General Report as requested.
