We are amending this report in response to your letter dated August 21, 2019. We have found a number of missing occupation and employers and added them to the report. Our best effort procedure is as follows: First, our original solicitation includes a clear and conspicuous request for the contributor information and informs the contributor of the requirements of federal law for the reporting of such information. Second, if the information is not provided, we make one follow-up, stand alone effort to obtain this information, regardless of whether the contribution(s) was solicited or not. This effort occurs no later than 30 days after receipt of the contribution and may be in the form of a written request or an oral request documented in writing. The requests clearly ask for the missing information, without soliciting a contribution; informing the contributor of the requirements of federal law for the reporting of such information, and if the request is written, include a pre-addressed post card or return envelope. Third, if we receive contributor information after the contribution(s) has been reported, we would either file with our next regularly scheduled report, an amended memo Schedule A listing all the contributions for which additional information was received or we would amend the report(s) originally disclosing the contribution(s). The partners for the 2 partnership contributions that you cited are listed if they aggregate over \$200.
