Determination of usual and normal charges for Enhanced Online Voter File Access for payments received on Schedule A, Line 17 of the Committees report was calculated by the total cost of developing and hosting our online voter file and dividing it by the number of records within the file as well as the presumed number of overall users. The cost to the organization is then determined by the number of records requested and the length of time access will be granted. i.e. Statewide or congressional charges are based on the number of records in the district or entire state as requested. - Please note that employees of the Committee that spent less than 25% of their time on Federal Election Activity were paid on the Schedule H4 uniform split. - The Memo Schedule A's that itemize the committees share of the gross contributions received through the joint fundraising activities from the ASDC Partnership Program (Association of State Democratic Chairs), Committee for Change and the Democratic National Committee State Party Victory Fund are provided on a quarterly basis. The transfer of the joint fundraising proceeds received during this reporting period from the ASDC Partnership, DNC Battleground Fund, Committee for Change and Democratic National Committee State Party Victory Fund, and ASDC Victory Joint Fundraiser programs represents the committee's share of proceeds for contributions received during this or prior reporting periods. The memo entries for these contributions are included in this or a prior report of the committee. - Transfers in from the Democratic National Committee, the Democratic Congressional Campaign Committee and the Democratic Senatorial Campaign Committee were not used as the Federal component of expenditures or disbursements that were used for federal election activities paid for in any part by Levin funds. The committee utilizes standard accounting procedures and a detailed chart of accounts as well as separate bank accounts for transfer down funds to ensure
