The Committee is in receipt of the Commission's Request for Additional Information dated 9/16/2008 regarding the July Quarterly Report for 2008. The Committee discovered that a record type had changed in the database which moved a \$125 contribution from 11B to 11C. The record type has been changed back to the correct line which in turn has corrected the Column B figures for the Summary and Detailed Summary Pages to reflect the current election cycle to date figures. - Additionally the Committee reviewed the duplicates records questioned by the Commission. It was discovered that donors that previously had given with a written instrument and provided a home address then gave with credit cards online using a different address, either their mailing address or work address. The Committee previously would do duplicate record searches within the same city to determine duplicates making the assumption that most donors live and work in the same City. This process has now been expanded to doing name only searches to find duplicates. One of the donors in question; however, was not a duplicate. Mr. Mullen made a \$1,000 contribution on 11/7/2006 intended for the 2006 General Election. The Committee reported the date deposited vs. the date made on a deposit that included his contribution and these have been corrected. All previous reports and subsequent reports affected have been amended as well.
