Response Due Date
08/02/2018

IDENTIFICATION NUMBER: C00658336

REFERENCE: APRIL QUARTERLY REPORT (01/01/2018 - 03/31/2018)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 6 item(s):

1. Schedule A of your report discloses one or more contributions that appear to exceed the limits set forth in the Act (see attached).

An individual or a political committee other than an authorized committee or qualified multi-candidate committee may not make a contribution(s) to a candidate for federal office in excess of \$2,700 per election. An authorized committee may not make a contribution(s) to a candidate for federal office in excess of \$2,000 per election. A qualified multi-candidate committee and all affiliated committees may not make a contribution(s) to a candidate for federal office in excess of \$5,000 per election. The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (52 U.S.C. § 30116(a) and (f) (formerly 2 U.S.C. § 441a(a) and (f)); 11 CFR § 110.1(b), (e) and (k))

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you must amend your original report with the clarifying information. If any contribution you received exceeds the limits, you may have to refund the excessive amount.

Excessive contributions may be retained if, within 60 days of receipt, the excessive portions are properly redesignated or reattributed. Guidelines for each option are provided below.

For reattributions, excessive contributions from individuals can be retained if, within 60 days of receipt, the excessive amount is properly reattributed to another person. Please note that reattributions only apply to excessive contributions from individuals. An excessive contribution is considered properly reattributed if (1) the contributors provide the committee with written documentation, signed by each contributor, authorizing a reattribution and indicating the amount of the contribution to be attributed to each contributor; or (2) the committee reattributes by presumption the excessive portion of the contribution if the contribution was made on a written instrument from a joint account and was signed by only one of the account holders. In this case, the treasurer must notify the contributors in writing within 60 days of receiving the contribution that the committee intends to reattribute the excessive portion and must give the contributor an opportunity to request a refund. (11 CFR § 110.1(k)(3)(ii)(B))

For redesignations, the funds can be retained if, within 60 days of receipt, the excessive amount is properly redesignated for a different election. An excessive contribution is considered properly redesignated if (1) the committee obtains signed written documentation from the contributor(s) authorizing the redesignation of the contribution for another election, provided that the new designation does not exceed the limitations on contributions made with respect to that election; or (2) your committee redesignates by presumption the excessive portion of the contribution for another election provided that the new designation does not exceed the limitations on contributions made with respect to that election. In this case, the treasurer must notify the contributor of the redesignation in writing within 60 days of the treasurer's receipt of the contribution. The notification must give the contributor an opportunity to request a refund. (11 CFR § 110.1(b)(5)(ii)(B)) Please note that you cannot presumptively redesignate an excessive contribution from a multi-candidate committee. Also, a contribution can only be redesignated to a previous election to the extent that the contribution does not exceed the committee's net debts outstanding for that election. (11 CFR § 110.1(b)(3)(i))

If the foregoing conditions for reattributions or redesignations are not met within 60 days of receipt of the contribution, the excessive amount must be refunded. See 11 CFR § 103.3(b)(1).

If you have not already done so, please inform the Commission of your corrective action immediately in writing and provide photocopies of any refund checks and/or letters reattributing or redesignating the contributions in question.

Refunds are reported on Line 20(a), (b), or (c), as applicable, of the Detailed Summary Page and on a supporting Schedule B of the report covering the period in which they are made. Redesignations and reattributions are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation and/or reattribution is received. (11 CFR § 104.8(d)(2), (3) and (4))

Although the Commission may take further legal action concerning the acceptance of excessive contributions, your prompt action to refund, redesignate, and/or reattribute the excessive amount will be taken into consideration.

2. On Schedule B supporting Line 17 of your report, you have itemized disbursements for which you have failed to include the address. Please amend your report to include the missing information. (11 CFR § 104.3(b)(4))

3. Itemized disbursements must include a brief statement or description of why each disbursement was made. Please amend Schedule B supporting Line 17 of your report to clarify the following description: "Consulting - General." For further guidance regarding acceptable purposes of disbursement, please refer to 11 CFR 104.3(b)(4)(i)(A).

Additional clarification regarding inadequate purposes of disbursement and a non-exhaustive list of acceptable purposes are available on the FEC website at <http://www.fec.gov/help-candidates-and-committees/purposes-disbursement/>.

4. Schedule B of your report discloses disbursements to individuals with the following purpose of disbursement: "Reimbursement." Please be advised that when itemizing reimbursements to individuals for goods or services, if the payment to the original vendor aggregates in excess of \$200 in an election cycle, a memo entry including the name and address of the original vendor, as well as the date, amount and purpose of the original purchase must be provided. Please amend your report to include the missing information on Schedule B and clearly identify each memo entry supporting a reimbursement. If itemization is not necessary, you must indicate so in an amendment to this report. (11 CFR §§ 104.3(b)(4)(i) and 104.9, and Advisory Opinions 1992-1 and 1996-20, footnote 3)

5. Schedule B of your report discloses disbursements to "Paychex" for "Payroll." Please be advised that when itemizing disbursements to companies for payroll services, if the payment to the salary recipient aggregates in excess of \$200 in an election cycle, a memo entry including the name and address of the individual

receiving the salary, as well as the date, amount, and purpose of the original disbursement must be provided. Please amend your report to include the missing information or provide clarifying information if memo items are not required. (11 CFR § 104.9)

6. Schedules A and B of your report disclose expenditures from the candidate's personal funds on behalf of the committee. Authorized committees must disclose all expenditures from personal funds made by the candidates on behalf of their committees, just as they would disclose any other disbursements that they may make. Out-of-pocket spending by candidates, as agents of their authorized committees, requires memo entry itemization of the ultimate vendor if the aggregate amount of payments to that vendor exceeds \$200 for the election cycle. The memo entry must include the date, amount, and purpose of the out-of-pocket payments, as well as the name and address of the vendor to which payment was made. Please amend your report to include the missing information on Schedule B or indicate that memo entry itemization is not required. (52 U.S.C. §§ 30104(b)(4), (5), (6)(A) (formerly 2 U.S.C. §§ 434(b)(4), (5), (6)(A)); 11 CFR § 104.3(b)(4); Federal Register Notice 2013-09)

- Your report fails to provide election designations for contributions disclosed on Schedule A for Line 11(a)(i). Please note that Authorized committees should indicate the election for which the contribution was designated. If no election is designated, the contribution is applied to the next election for the federal office the candidate is seeking after the contribution date. (11 CFR §§ 110.1(b)(2) and 110.2(b)(2))

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
