**Response Due Date**

IDENTIFICATION NUMBER: C00828509

REFERENCE: JULY QUARTERLY REPORT (04/01/2024 - 06/30/2024)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. Your filings disclose that your committee may have satisfied the criteria set forth at 11 CFR §100.5(e)(3) for becoming a multicandidate committee; however, the Commission has no record of a FORM 1M (Notification of Multicandidate Status) filed by your committee. Please be advised that once a political committee meets the certification requirements **or** becomes affiliated with an existing multicandidate committee, whether or not that political committee has certified its status as a multicandidate committee, it automatically attains multicandidate status and must file a FORM 1M (Notification of Multicandidate Status) within ten (10) calendar days. The certification requirements for multicandidate status have been satisfied when a political committee:

- 1 - has received contributions for federal elections from at least 51 persons;
- 2 - has been registered with the Commission for at least 6 months; and
- 3 - has made contributions to at least five federal candidates.

For further guidance on the multicandidate certification requirements, please see 11 CFR §§102.2(a)(3), 110.2(a)(1) and (2). Please submit a FORM 1M to disclose the required information for the public record. A copy of FEC FORM 1M can be downloaded from the FEC website at <https://www.fec.gov/help-candidates-and-committees/forms/>, or requested through the FEC Fax line at (202) 501-3413.

2. Schedule B supporting Line 23 discloses one or more contributions to a candidate(s) for the 2024 primary election; however, the funds were disbursed after the election date(s) (see attached). Please note that contributions may not be designated for an election which has already occurred unless the funds are to be used to reduce a candidate committee's debts incurred during that election campaign. (11 CFR §§110.1(b)(3) and 110.2(b)(3))

If any apparently impermissible contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If the contribution(s) in question should have been designated for debt retirement, you should amend your report to indicate "debt retirement," along with the year of election.

If you have made an impermissible contribution, you must request a refund or provide a written authorization for a redesignation of the contribution pursuant to 11 CFR §110.2(b) within 60 days of the treasurer's receipt.

If the foregoing conditions for redesignations were not met within 60 days of the treasurer's receipt, your committee must obtain a refund. (11 CFR §103.3(b)(1) and (3))

Please inform the Commission of your corrective action promptly by providing the date and method of your remedy (refund or redesignation request) for each contribution. The committee should retain for its records copies of the refund and/or redesignation request(s) sent to the recipient committee(s). In addition, any refunds should be disclosed on Schedule A supporting Line 16 of the report covering the period during which they are received. Any redesignations should be disclosed as memo entries on Schedule B supporting Line 23 of the report covering the period during which the redesignation is made. (11 CFR §110.1(b))

Although the Commission may take further legal action regarding this impermissible activity, your prompt action in obtaining a refund and/or redesignating the contribution(s) will be taken into consideration.

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
