INSTRUCTIONS
(Calculated from FEC Form 3P, page 2)

This worksheet must be retained to support, in part, the amount reported on Line 13.

FEC Form 3P, Worksheet, is for use by a candidate or the principal authorized committee of a candidate, to track expenditures subject to limitation during the primary campaign (2 U.S.C. § 441a(b)(1)(A)). As soon as possible after the beginning of the calendar year, the Commission will publish the adjusted limits to be used during the election cycle. The 20% fundraising exemption will be based on the published overall expenditure limitation.

Line A - From FEC Form 3P, page 2, enter the calendar year-to-date total for operating expenditures.

Line B - Enter the calendar year-to-date total of offsets to operating expenditures.

Line C - Subtract Line B from Line A.

Line D - If reports were filed in a prior year(s), from the year-end report(s), enter the calendar year-to-date total for operating expenditures.

Line E - From the year-end report(s) for the prior year(s), enter the calendar year-to-date total for offsets to operating expenditures.

Line F - Subtract Line E from Line D.

Line G - From FEC Form 3P, page 2, enter the calendar year-to-date total for fundraising disbursements.

Line H - Enter the calendar year-to-date total for offsets to fundraising disbursements.

Line I - Subtract Line H from Line G to obtain the net fundraising disbursements for the current year.

Line J - If reports were filed in a prior year(s), enter the calendar year-to-date total for fundraising disbursements from the year-end report(s).

Line K - If offsets to fundraising disbursements were received in a prior year(s), enter the calendar year-to-date total from the year-end report(s).

Line L - Subtract Line K from Line J.

Line M - Add Line I and Line L.

Line N - Enter 20% of the overall expenditure limit as published by the FEC.

Line O - Subtract Line N from Line M. If the result is less than zero, enter -0-. If greater than zero, enter the amount.

Line P - Add Line C, Line F, and Line O to obtain the total of operating expenditures made by the Committee subject to 2 U.S.C. § 441a(b)(1)(A) limitation. The total reflected on Line P, "Total Expenditures Subject to Limitation," is carried forward to FEC Form 3P, Page 1, Line 13.

If the candidate has authorized other political committees, the principal campaign committee must first consolidate the calendar year-to-date receipt and disbursement activity on FEC Form 3P, page 4 (Consolidated Report of Receipts and Disbursements). FEC Form 3P, Worksheet, is completed using the appropriate column totals from the current and previous calendar year (if any) consolidation reports.
