IDENTIFICATION NUMBER: C00540898

REFERENCE: MAY MONTHLY REPORT (04/01/2020 - 04/30/2020)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

1. The independent expenditure schedule (Schedule E) should disclose the following information: the name and mailing address of the payee, the purpose of the expenditure, the date the communication is publicly disseminated or distributed, the amount, the name and office sought, state and district (if applicable) of the federal candidate, the calendar year-to-date, per election, for office sought total, the election designation, an indication of whether the candidate was supported or opposed and the signature of the treasurer. Please amend the Schedule E by providing the state. (11 CFR §104.4(b) and (c))

Please be advised that each State's Presidential primary is considered a separate election for purposes of aggregating independent expenditures (see Advisory Opinion 2003-40). Independent expenditures that are made in support or opposition to a presidential primary candidate and publicly distributed or otherwise disseminated in six or more states, but do not refer to any particular state, should be listed as a single expenditure (i.e., without allocating among states) and the state with the next upcoming presidential primary among those states where the independent expenditure is distributed must be indicated. Additionally, filers must use descriptive memo text to indicate the specific states in which the communication is distributed. 11 CFR §§104.4(b)(3)(vii)(C) and 104.4(f)(2)

- Your committee has previously indicated that it has been using "best efforts" to obtain the full name, mailing address, occupation and name of employer for each

contributor; however, this report discloses a significant increase in the number of entries that lack this information. Please amend your report to provide the omitted information or provide an explanation of your efforts in this regard. (11 CFR §§104.3(a)(4)(i) and 104.7)

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
