RE: 12-Day Pre-Run-Off Report (4/01/2026 – 05/06/2026)

Mr. Patrick Harkins:

This submission is in response to the Commission's request for additional information dated 7/1/2026.

In response to your request for additional information regarding the contributions from Benjamin Samuels and AAJ PAC, we have found that they were excessive and have been refunded. The refunds will be seen on the October Quarterly report filed on 10/15/2026.

In response to your request for additional information regarding the contribution from Valverde Family Enterprise, LLC, we have found no information respecting partnership allocations and have refunded this contribution; the refund will be seen on the October Quarterly report filed on 10/15/26.

With regards to “ActBlue Technical Services” on Schedule B, this vendor is not a conduit or connected to earmarked contributions. All payments are merchant fees for direct credit card contributions.

We hope this addresses your request for additional information. The Committee takes its filing obligations seriously and makes every attempt to comply with the FEC’s requirements. If you need any further information, please contact the committee.
