I ammended the name of my Committee Id C00766139 and it reflects that on your site but when I went to ammend the election cycle from the last presidential election to the upcoming 2028 it doesn't reflect the ammended name but the number of the committee is the same so I just wanted to make sure it reflects "Sexy Vegan 4 President" as the committee name instead of the 2024 one in the name.
