Re: FEC ID C00308338 and C00329060

Dear Ms. deBeau:

I am writing concerning three comment letters received by the above referenced campaigns, each dated December 22, 1998. I want to confirm that I have received these and am working to resolve the issues you identified. I had an initial question regarding the periods being referenced which you helped me resolve in our phone conversation on January 12, 1999.

As we have closed our campaign office, we are not receiving mail sent to that address in a timely manner. Please direct all future correspondence to the following address:

Molly Bordonaro

Thank you for your assistance.
