Re: IDENTIFICATION NUMBER: C00222455

Dear Ms. Ioffe,

This letter is a formal response to your letter sent to the Citizens for Joe Kennedy 1998 Committee sent on May 29, 2019. Thank you for taking time to speak with myself by phone on June 11, 2019.

As we discussed, there are no current laws or regulations that stipulate a campaign committee must wind down and terminate within a certain timeframe. Therefore, the Citizens for Joe Kennedy 1998 campaign committee does not plan, at this time, to file a termination report with the FEC. Nor does the Citizens for Joe Kennedy 1998 campaign committee plan to redesignate as a principal campaign committee for a future election or convert to a multicandidate political committee at this time.

Should the FEC adopt a regulation that requires campaign committees terminate within a certain timeframe, we would obviously adhere to the new regulation.

Further, you requested additional information regarding certain disbursements made during the 2018 October Quarterly Report and the 2018 Year-End Report, specifically payments made to Hemenway & Barnes for legal fees.

These payments were for the preparation and filing of the quarterly and annual FEC reports and have been made by the campaign committee to the same firm for numerous

years. In the future we will provide more details for these disbursements by listing them as "legal fees – FEC compliance."
