Through this submission, Montanans for Tester responds to the Commissions letter dated March 4, 2025, regarding the committees Post-General Report. If you have any questions, please contact the committee.

1. Due to a clerical error, duplicate records existed for the following contributors and refunds have been issued for their excessive portions: Don Bannett, Ty Fitzmorris, Margaret Herman, William Haney III, Joseph Labule, Edward Lehman, Paul Baman Rusby, Boleynn Wilson and FedEx PAC. The committee understands that these refunds may have occurred outside the 60-day window. As soon as the excessive contributions were identified, the Committee took prompt action to refund the donors. These refunds will be reflected on the April Quarterly 2025 report.

The following contributors do not appear to be duplicates and therefore no refund has been issued: Alan Weiner, Al Werner, Kathleen Jennings and Katherine Jennings. They have unique names, mailing addresses and contact information, and are therefore not over their contribution limit.

Robert Hall has two contributions for \$500 on 9/18/24 listed on the letter, but only one was received and reported.

The committee also amended its Post-General Filing to address improper aggregation. These corrections address overages identified for Nicholas Duffy, William Haney, Melissa Jones, Robert Justice, Joseph Labule, John Patterson, and Herm Triezenberg.

2. The committee does request and obtain copies of current and valid US Passports from all donors who use a foreign passport or passport number for identification purposes; provide a foreign address; make a contribution or donation by means of a check or other written instrument drawn on a foreign bank or by a wire transfer from a foreign bank; or reside abroad. Any donations from donors who do not respond to the request are refunded by Montanans for Tester.

3 and 4. Michael Longyears contribution was reported on the 10/23/2024 48 hour report at the top of page 10, and was also disclosed on the PostGeneral Filing on page 36,316. Milton Schneider was reported on a 48 hour report and his first name was subsequently updated to his nickname, Tony, in the Committees software. His name has been returned to Milton and is on the amended PostGeneral filing. Jud Miner was reported on a 48 hour report and his first name was subsequently updated to Judson in the Committees software. His name has been returned to Jud and is on the amended PostGeneral filing.

We hope this letter and the amended filing addresses the request. The committee takes its filing obligations seriously and makes every attempt to comply with the requirements.
