Dear Patrick Harkins,

This is in response to the RFAI issued to the committee on April 23, 2025.

1. The organization did not receive any donations during the calendar quarter that were earmarked for any independent expenditure or political purpose as defined by the court decision in CREW v. FEC. Therefore, the organization was not required to itemize any donors on Line 7 of its quarterly report.

2. On review of its communications, The Other 98% Action unfortunately discovered additional independent expenditures that had not been previously reported. Once its review was completed, it expeditiously filed a 24-hour report, and included those expenditures on its Year-End Quarterly Form 5.

Sincerely,

John Sellers
