**Re: Tammy Baldwin for Senate
FEC Identification #C00326801**

Dear Mr. Austin:

This is in response to your letter dated August 16, 2017 concerning the July Quarterly Report (04/01/2017-06/30/2017) of Tammy Baldwin for Senate (the "Committee").

You have asked about contributions from individual and PAC donors that appear to exceed the limits. Some of the contributions you list were reported for the incorrect election due to data entry errors. The Committee will amend any affected reports to show the correct election designations. For the remainder of the contributions listed, the Committee is refunding the excessive amounts. The refunds will be disclosed on the next regularly-scheduled report.

You have also asked about contributions from two non-multicandidate PACs. One of the contributions in question was mistakenly reported under the record of a terminated PAC that was not multicandidate. The Committee will amend its report to show the correct name of the donor, which is a multicandidate committee. The Committee will refund the excess portion of the other contribution.

You ask about contributions from committees that are not federally registered. The Committee has confirmation that the contributions in question were made with federally permissible funds. We will amend our report to add this information.

201709210200273655

Finally, you ask about an in-kind contribution that was unitemized on Schedule A. The Committee will amend its report to show the itemized receipt of the in-kind.

We hope that this information adequately answers your questions. If you have any additional questions, please feel free to contact the Committee.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Michael F. Childers". The signature is stylized and cursive.
