

Late Delivery

Last month most of the federal government ceased operations for four days due to the budget impasse. For this reason, the December 1995 issue of the *Record* was mailed later than usual. We apologize for this delay. We hope that we can recoup the lost work days in time to get the January 1996 issue out to you on our regular schedule.

We thank you for your understanding and wish everyone the very best for the holidays.
