REFERENCE: 30 DAY POST-GENERAL REPORT (10/20/2022 – 11/28/2022)

Dear Ms. Stilla:

Brandon for Congress NY22 (“the Committee”) is in receipt of the letter dated January 29, 2023 from the Commission, requesting information on three items related to the above-referenced 2022 30 Day Post-General Report. Along with this letter, the Committee has filed an amended version of the report (“Amended Report”) addressing the items, as further described below.

First, the Commission's letter requests information on Column B figures for the election cycle to date amounts. The Committee has corrected the amounts in the Amended Report.

Second, the Commission's letter requests information regarding the beginning cash balance of the report not matching the ending balance from the 12 Day Pre-General Report amended on 01/11/23. The Committee has corrected this in the Amended Report.

Third, the Commission's letter inquired about a contribution that may not have been reported on a 48-hour notice. The Committee advises that the contribution was reported on a 48-hour notice filed on 11/07/22 as being from Democracy Engine LLC. At the time of filing the notice, the Committee was not aware that Democracy Engine LLC was a conduit and reported the net amount received. Upon obtaining the donor's information, we reported the conduit (Democracy Engine) with the attribution to the actual donor in the 30-Day Post General Report.

Please feel free to contact us if you have any further questions.

Sincerely,

Maria Wojciechowski
Treasurer
