This miscellaneous report is in response to the Request for Additional Information dated August 7, 2023 in regards to the committee's amended April quarterly report.

- 1.We have corrected the memo entries noted in your letter. M13 Holding LLC has been added correctly as an LLC taxed as a partnership with the partnership attribution below on Line 11(a). Our filing software did not correctly disclose the attribution on the prior filing, but it has now been corrected. On Schedule B, both entries mentioned were inadvertently marked as “memo? entries by a staffer. We have corrected them by removing the memo. Because the inadvertent errors on both Schedule A and B were almost equal in value, the cash on hand remains the same and was not inflated or deflated but remains the same.
- 2.The debts were not provided to the committee prior to the filing of the quarterly report, which is why we filed the amendment to disclose as soon as the committee was made aware.
- 3.We have amended the FEC 1 per your request, as the committee was inadvertently left off the last amendment.
