Re: RFAI otice Dated 3/4/2026

Issue:
The totals listed on Lines 21(b), 21(c), and 24, Column B of the Detailed Summary Page appear to be incorrect. Column B figures for the Summary and Detailed Summary Pages should equal the sum of the Column B figures on your previous report and the Column A figures on this report. Please file an amendment to your report to correct the Column B discrepancies for this report and all subsequent report(s) which may be affected by this correction. Note that Column B should reflect only the Calendar Year-to-Date totals.

Response:
The \$45,000 Sage Media Expense from 6/23/2025 was improperly reported as as an operational expenditure rather than an independent expenditure in the MidYear Report. It was corrected in the compliance software prior to the Year End Report being generated, however the amended Mid Year Report wasnt filed before the 2025 Year End Report was filed. Accordingly, the Year End report which properly accounted for the Sage Expenditure correction to an IE led to the misalignment of line items 21b, 21c and 24a in relationship to the Mid Year Report. The mid Year Report has been amended and submitted as of 4/3/2026 and now the two reports, Mid Year 2025 and Year End 2025, align properly.
