I had a discussion with our Financial Analyst, Ms. Mary Seiler regarding a letter received to correct certain sections from the April 15 Report. Took me some time to get to Tech Support, and was finally able to learn how to import transactions. However it seems I may have to manually insert some of the data. I am working towards addressing this, and will have this submitted over the next few days. Will also have to do the same for the July and pre primary reports as well. Will need some tech advise once I resend and will reach out to Ms. Seiler. Thank you.
