REFERENCE: JULY QUARTERLY REPORT

Dear Ms. Seiler,

We write in response to your request for additional information dated October 16th, 2022.

The Committee discovered the in kind transaction referenced in your correspondence that should have been recorded as a memo entry and not affected the ending cash balance.

The transaction has been reclassified and an amended July quarterly report will be filed on or around November 10, 2022. Additionally, as this amendment will affect the ending cash balance, the committee will file amended October quarterly and pre-General reports.

Should there be any other concerns on this or any other matter, please contact me.

Warm Regards,

Robert Lendi
