Good morning, I never received a confirmation of the letter send regarding the amended report and RFAI for Womack4Us (C00926667). I have copied that response here. If there are any other questions please let me know.

On behalf of Womack4Us:

Dear Ms. Ringgold,

This letter is in response to the Request for Additional Information regarding the amended report for WOMACK4US. The increase in receipts reported on Line 11(a)(i) resulted from online contributions that were inadvertently omitted during the final upload of data to the original report. The omission was identified through an internal review of our reporting process and was corrected promptly by filing an amended report that accurately reflects all reportable receipts.

We believe the amended report fully addresses this issue and appreciate the opportunity to provide this clarification.

If there are additional questions or concerns, please dont hesitate to reach out

Thank you, Amanda Nelson
