Reference: Request for Additional Information issued 01/05/2023.

The Request for Additional Information states that the committee may have failed to file one or more last minute 48-hour notification reports during the 48-hour reporting period. Friends of David Schweikert has firm, written procedures in place for 48-hour notification filings. Through our compliance firm, the Committee provides multiple notifications of the 48-hour requirement to all fundraisers, agents, and staff of the Committee, both prior to and repeatedly during the 48-hour filing period. All relevant parties provide documentation and verify all contributions and provide them to our compliance firm for filing. All contributions are further sent overnight to the compliance firm to physically verify and deposit.

The Calportland Company PAC contribution is a JFC memo from the JFC transfer from Schweikert-Lesko Victory, which was reported within the 48-hour time frame on 11/5/2022. That memo was inadvertently missed when reporting the JFC transfer during the 48-hour period. Upon discovering the error, the 48-hour report was amended on 12/8/2022 to include the memo along with the hard transaction.

The Regions Financial Corp PAC contribution was inadvertently missed within the 48-hour reporting window due to a technological issue in the check scan which rendered the image unreadable. Upon the discovery and reconciliation of the Post General report- the 48-hour report was amended on 12/8/2022.

The campaign is very serious about following the law and proper procedures and has always acted in good faith to adhere to federal election regulations. Please do not hesitate to contact us should you have any further questions.

Sincerely,
Steven Martin
Treasurer
