City	State	ZIP Code
WASHINGTON	DC	20036

Regarding the RFAI issued June 29th: The software has been improved and continually being improved to help avoid this Schedule D debt issue in the future. The invoice for \$17,731.28 did not clear the bank before the close of books, causing it to get overlooked during the bank reconciliation process. We have improved our processes/communication with that vendor, to avoid that particular issue in the future as well.
