FEC FORM 3

INSTRUCTIONS FOR PREPARING FEC FORM 3

WHO MUST FILE

A political committee designated in writing by a candidate for the House of Representatives or Senate to serve as his or her principal campaign committee is required to file periodic Reports of Receipts and Disbursements on FEC FORM 3.

Any other political committee authorized in writing by a candidate for the House of Representatives or Senate to receive contributions or make expenditures on the candidate's behalf is required to file FEC FORM 3 with the principal campaign committee. The principal campaign committee must compile and consolidate the reports required to be filed with it. These consolidated reports must include: the candidate's activity, reports submitted to the principal campaign committee by any other authorized committees, and the principal campaign committee's own activity. This consolidation must be made on FEC FORM 3Z.

ALL POLITICAL COMMITTEES AUTHORIZED IN WRITING BY A CANDIDATE FOR THE OFFICE OF PRESIDENT OR VICE PRESIDENT MUST FILE ON FEC FORM 3P.

ALL POLITICAL COMMITTEES OTHER THAN THOSE AUTHORIZED BY A CANDIDATE MUST FILE ON FEC FORM 3X.

WHEN TO FILE

In any calendar year in which there is a "Regular" November General Election for which the candidate is seeking nomination for election or election, the candidate's principal campaign committee must file the following reports on FEC FORM 3:

-- Quarterly reports must be filed no later than April 15, July 15, October 15 and January 31 of the following calendar year. Each such report must disclose all transactions from the last report filed through the last day of the calendar quarter. A quarterly report is not required to be filed if a Pre-election Report is required to be filed during the period beginning on the 5th day and ending on the 15th day after the close of the calendar quarter.

-- A 12 Day Pre-election Report must be filed no later than the 12th day before any primary or general election in which the candidate seeks election and must include all transactions from the closing date of the last report filed through the 20th day before the election. A 12 Day Pre-election Report sent by certified or registered mail must be mailed no later than the 15th day before the election.

-- A 30 Day Post-general Election Report must be filed no later than 30 days after the general election and include transactions from the closing date of the last report filed through the 20th day after the general election.

In any other calendar year, the following reports are required:

-- A Mid Year Report must be filed no later than July 31 and include transactions beginning January 1 and ending June 30.

-- A Year End Report must be filed no later than January 31 of the following calendar year and include transactions beginning July 1 and ending December 31.

A document is timely filed upon delivery to the appropriate office (see "Where to File") by the close of the prescribed filing date or upon deposit as registered or certified mail in an established U.S. Post Office and postmarked no later than midnight of the day the report is due, except that a Pre-election Report so mailed must be postmarked no later than midnight of the 15th day before the date of the election. Reports and statements sent by first class mail must be received by the appropriate office by the close of business of the prescribed filing date to be timely filed.

WHERE TO FILE

An original report and any amendments to an original report must be filed as follows:

-- The principal campaign committee of a candidate for the House of Representatives must file with the Clerk of the House of Representatives, Office of Records and Registration, 1036 Longworth House Office Building, Washington, DC 20515-6612. Other authorized committees of the candidate must file with the principal campaign committee.

-- The principal campaign committee of a candidate for the Senate must file with Secretary of the Senate, Office of Public Records, 232 Hart Senate Office Building, Washington, DC 20510-7116. Other authorized committees of the candidate must file with the principal campaign committee.

A copy of each report filed by the principal campaign committee must be filed with the Secretary of State (or appropriate State officer) of the State in which nomination or election is sought.

OVERVIEW OF THE RECORDKEEPING AND REPORTING REQUIREMENTS

A political committee may use any recordkeeping or accounting system which will enable it to comply with the Act. The Commission recommends that the recordkeeping or accounting system of a political committee keep a separate accounting for each of the various categories of receipts and disbursements on the Detailed Summary Page. This separate accounting will assist the political committee in filling out the reporting forms, since separate reporting schedules are required for each category. The reporting schedules should be filled out first so that the totals can be derived for each category. The total figures should be carried forward to the Detailed Summary Page and then (where appropriate) from the Detailed Summary Page to the Summary Page.

TREASURER'S RESPONSIBILITIES

A copy of this Report must be preserved by the treasurer of the political committee for a period of not less than three years from the date of filing. The treasurer of the political committee is personally responsible for the timely and complete filing of the report and for the accuracy of any information contained in it.
