The disbursements on Schedule B line 21b are neither for any Federal Election Activity nor do the disbursements support, attack, or oppose any Federally Elected Official or any Federal Candidate. The employees reported on the H4s are working less than 25% of their compensated time in a given month on Federal election activity or activities in connection with a Federal election. All of our employees, who are not paid 100% federal, maintain a monthly activity log. The Federal Election Commission suggested the activity logs to us at 2003 training, and we have been complying with them since. Each month the logs are turned into Henrietta Tow, MRP Accounting Director. An employees benefits are paid the same way as salary was paid for the month.
