REFERENCE: JUNE MONTHLY REPORT (05/01/2017 - 05/31/2017)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in enforcement action.** Additional information is needed for the following 1 item(s):

- Schedule B supporting Line 29 discloses a \$46,400 disbursement to "American Resort Development Association" for "Transfer of Misdeposited Funds." You are advised that 11 CFR §102.5 prohibits a non-federal account from financing activity in connection with federal elections. Previously filed reports by your committee do not appear to disclose the original receipt of the apparent impermissible contribution on Schedule A. Please amend the report covering the period during which the transaction occurred to disclose the receipt of these funds.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just
