IDENTIFICATION NUMBER: C00292318

REFERENCE: FEBRUARY MONTHLY REPORT (01/01/2022 - 01/31/2022)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- Schedule A discloses aggregate year-to-date totals for contributions received from individuals which appear to be incorrect as they appear to include contributions from 2021. Please be advised that federal regulations require aggregate year-to-date totals to include only those contributions which are received during the calendar year. In the event that the aggregate year-to-date total is correct, please note that federal regulations also require the disclosure of all contributions received from individuals who have contributed over \$200. 11 CFR 104.3(a)(4) Please amend your report to provide the correct aggregate year-to-date totals.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
