Re: HillPAC, FEC Id. No.C00363994, September Monthly Report (8/1/06 - 8/31/06)

Dear Ms. Lewis:

This letter is in response to your request for additional information concerning HillPAC's (the "Committee's") September Monthly Report of receipts and disbursements, covering 8/1/06 - 8/31/06.

With respect to the expenditures for "Consulting/Fundraising" noted by you, these expenditures were all for generic fundraising on behalf of the Committee's own activities. None of the expenditures (nor any portion thereof) were related to or made on behalf of specific federal candidates.

With respect to the expenditures for "Consulting/Communications" noted by you, these expenditures were exclusively to assist the Committee with its own communications projects and activities. These expenditures contained no express advocacy, but, instead, were for the purpose of assisting the Committee in (1) the preparation of generic written material and (2) general press contacts, on its own behalf, without any express advocacy. None of the expenditures (nor any portion thereof) were related to or made on behalf of specific federal candidates.

Accordingly, all of these expenditures were correctly reported. If the Committee makes any expenditures on behalf of specific federal candidates, it reports them as such on the appropriate line of its FEC reports.

If you have any additional questions regarding this response, please contact us at your convenience.

Sincerely,

Janice Enright  
Treasurer
