PAGE 03 / 226

NAME OF COMMITTEE (In Full)

**Texas Democratic Party****RATIOS FOR ALLOCABLE FUNDRAISING EVENTS AND DIRECT CANDIDATE SUPPORT ACTIVITIES APPEARING ON THIS REPORT.**

Methods of allocation :

- I. FUNDRAISING activities are allocated using the 'funds received method' where the federal proportion of expenses must equal the federal proportion of monies raised.
- II. Shared **DIRECT CANDIDATE SUPPORT** activities are allocated according to benefit expected to be derived, where the federal proportion of disbursements is based on the benefit derived by federal candidates from the activity.  
**For PACs Only** : Direct candidate support includes public communications or voter drives that refer to both federal and nonfederal candidates, regardless of whether there is a reference to a political party. Such expenses are allocated using a time/space method.

This is in response to your letter of February 2, 2007, regarding our 30-Day Post-General Report (10/19/06 - 11/27/06). - For any exempt activity that is a Federal Election Activity and a public communication, we have provided the name of any candidate to whom the activity should be attributed on Schedule B for Line 30b. - The committee is aware that 11CFR300.34 prohibits our using any funds transferred from another party committee as the federal component of any allocated Federal Election Activity. The federal component of FEA disclosed on Schedule H6 for Line 30a totals \$15,417.29. During this period, the committee raised \$27,474.65 in contributions from individuals, \$43,567.00 in contributions from other political committees, and \$50,174.28 in joint fundraising proceeds eligible to be used for Levin activities--almost eight times the amount of self-raised funds needed to pay the federal component of allocated FEA. Between 10/19 and 10/25, the date the first national party transfer was received, the committee raised \$52,296.97 in funds that could be used for Levin activities. Between 10/26 and 10/30, the date of the next national party transfer, the committee had raised another \$25,035.81 in funds that could be used for Levin activities; between 10/31 and 11/1, the date of the next national party transfer, \$11,030.00 more in eligible funds was raised; and between 11/2 and 11/27, the date of the last national party transfer disclosed on this report, the committee raised \$10,802.00 more in eligible funds. These figures do not take into account any amount of funds eligible to be used for Levin activities that were already in hand at the beginning of the period. No transfers-in from any other party committee were used for allocated Federal Election Activity. When paying for a potentially allocable Federal Election Activity, the committee analyzes its deposits and account balances to determine whether it has sufficient self-raised federal funds to allocate the activity. The committee generally assumes that its balances are composed of its most recent deposits. If the committee determines that it does not have sufficient self-raised funds at the time a payment is made, it uses 100% federal funds to pay for activities that would otherwise be allocable FEA. - We have corrected the column B totals on the Schedule L Aggregation Page. This problem was caused by incorrect coding of three Levin contributions: \$1,000 that was reported on a previous report; and \$1,000 and \$25 that should have appeared on this report but originally did not because of entry errors. We will also be amending our January 31 year-end report to reflect these corrections. Please advise if any additional information is required.
