Re: Friends for Gregory Meeks
FEC Identification # C00430991

This is in response to your letter dated November 21, 2022, concerning the amended July Quarterly Report (04/01/2022 – 06/30/2022) for Friends for Gregory Meeks (the “Committee?”), which was received in the mail by the Committee after the response due date.

You asked about contributions that appear to exceed the limits. We have examined the contributions identified. Some of the contributions you identified were a result of incorrect attributions associated with a joint fundraising transfer made on May 18, 2022. Other contributions had election designations that were incorrectly reported due to data entry errors. The Committee will file an amendment to correct the joint fundraising attributions and all incorrect election designations.

Finally, the Committee identified some contributions that exceeded the limits. All excessive contributions will be refunded and disclosed on the Committee’s April Quarterly report. The donors receiving the refunds are Harley Lippman, Marie Lippman, Joshua Samuelson, Scott Weiner, and Michael Williams.

I hope that this information adequately answers your question. If you need any additional information, please contact the Committee.

Sincerely yours,

Patsy A. Simmons
Treasurer
