NAME OF COMMITTEE (In Full)  
Zeldin For Congress

Memo Item

The diagram shows a rectangular frame structure. It consists of 10 vertical members (columns) and 2 horizontal members (beams). The columns are arranged in two rows of five. The top horizontal member is at the top, and the bottom horizontal member is at the base. The columns are connected by the beams at the top and bottom. The frame is shown in a perspective view, with the columns receding into the distance.
