REFERENCE: 2022 30 Day Post-General report

Dear Mr. Dobi:

I write in response to your letter of January 11, 2022, concerning the Committee's above referenced report.

In your letter you expressed concerns about certain donations on last minute contribution notices and their subsequent reporting on the post-general report. You note that Janet Winningham and Charles Gately were reported on 48-hour notices but did not appear on the post-General report. Additionally, you note that T. E. Winningham, Jr. and Barbara Marter Gately were reported on the post-General report but were not on any 48-hour notice.

T. E. Winningham, Jr. is the spouse of Janet Winningham. Likewise, Barbara Marter Gately and Charles Gately are married. In both cases, it was determined after the 48-hour notice was filed that the contribution had initially been designated to the incorrect spouse. This was subsequently corrected. The file post-General report accurately reflects the correct donors for the contributions.

We are hopeful that this explanation fully addresses your concerns. Should you have any additional concerns on this, or any other matter, please be in contact with the Committee. Thank you.
