DAVID L. CAMACHO, TREASURER
JAMES MOYLAN FOR CONGRESS
P.O. BOX 10345

Response Due Date

07/20/2026

IDENTIFICATION NUMBER: C00809343

REFERENCE: OCTOBER QUARTERLY REPORT (07/01/2025 - 09/30/2025)

Dear Treasurer:

This notice is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 3 item(s):

1. Schedule A of your report discloses one or more contributions that appear to be from a corporation(s) and/or labor organization(s) (see attached). 52 U.S.C. § 30118(a) and 11 CFR § 103.3(b) prohibit the receipt of contributions from corporations and labor organizations unless made from separate segregated funds established by the corporations and labor organizations.

If any apparently prohibited contribution in question was incompletely or incorrectly disclosed, you must amend your original report with clarifying information.

If you have received prohibited contributions, you must make a refund within 30 days of the treasurer becoming aware of the illegality of the contribution. (11 CFR § 103.3(b)(1) and (2))

Please inform the Commission of your corrective action promptly by filing an amended report or Miscellaneous Document (Form 99 for electronic filers). If a remedy will be disclosed in a future reporting period, please provide the date and amount of the remedy in your response. The committee should retain records of refunds of the contributions in question. Refunds must be reported on a Schedule B supporting Line 20(a) of the report covering the period in which the refund is made. (11 CFR § 104.8(d)(4))

Although the Commission may take further legal action concerning the

acceptance of prohibited contributions, your prompt action to refund the prohibited amount will be taken into consideration.

2. Schedule A of your report discloses one or more contributions that appear to be from a limited liability company(ies) (LLC) (see attached). 11 C.F.R. §110.1(g) allows the receipt of contributions from LLCs providing the LLC is treated as a partnership for tax purposes, and has not elected to be treated as a corporation by the Internal Revenue Service (IRS). Both LLCs that claim corporate status and those that are publicly traded would be treated as corporations for FECA purposes.

Please amend your report to clarify if the LLCs in question are treated as partnerships. If any apparently prohibited contribution in question was incompletely or incorrectly disclosed, you must amend your original report with clarifying information.

The Commission has approved the use of the following sample donor response form for committees that seek and accept contributions from LLCs to affirm to the recipient committee that the LLC is eligible to make the contribution and to satisfy the "best efforts" obligation to obtain contributor information: <https://www.fec.gov/resources/cms-content/documents/mtgdoc-24-53-A.pdf>.

If you have received prohibited contributions, you must make a refund. (11 CFR § 103.3(b)(1)) The refund must be made within 30 days of the treasurer becoming aware of the illegality of the contribution. (11 CFR § 103.3(b)(2))

Please inform the Commission of your corrective action promptly by filing an amended report or Miscellaneous Document (Form 99 for electronic filers). If a remedy will be disclosed in a future reporting period, please provide the date and amount of the remedy in your response. The committee should retain records of refunds of the contributions in question. Refunds must be reported on a Schedule B supporting Line 20(a) of the report covering the period in which the refund was made. (11 CFR § 104.8(d)(4))

Although the Commission may take further legal action concerning the acceptance of prohibited contributions, your prompt action to refund the prohibited amount will be taken into consideration.

3. Commission Regulations require that a committee discloses the identification of all individuals who contribute in excess of \$200 in an election cycle. (11 CFR § 104.3(a)(4)(i)) Identification for an individual is defined as the full name (initials for first or last name are not acceptable), **complete mailing address**,

occupation, and name of employer. (11 CFR § 100.12) Your report discloses contributions from individuals for which the identification is not complete.

You must provide the missing information, or if you are unable to do so, you must demonstrate that "best efforts" have been used to obtain the information. To establish "best efforts," you must provide the Commission with a detailed description of your procedures for requesting the information. Establishing "best efforts" is a three-fold process.

First, your original solicitation must include a clear and conspicuous request for the contributor information and must inform the contributor of the requirements of federal law for the reporting of such information. (11 CFR § 104.7(b)(1)) See 11 CFR § 104.7(b)(1)(i)(B) for examples of acceptable statements regarding the requirements of federal law.

Second, if the information is not provided, you must make one follow-up, stand alone effort to obtain this information, regardless of whether the contribution(s) was solicited or not. This effort must occur no later than 30 days after receipt of the contribution and may be in the form of a written request or an oral request documented in writing. (11 CFR § 104.7(b)(2)) The requests must:

- clearly ask for the missing information, without soliciting a contribution;
- inform the contributor of the requirements of federal law for the reporting of such information, and
- if the request is written, include a pre-addressed post card or return envelope.

Third, if you receive contributor information after the contribution(s) has been reported, you should either a) file with your next regularly scheduled report, an amended memo Schedule A listing all the contributions for which additional information was received; or b) file on or before your next regularly scheduled reporting date, amendments to the report(s) originally disclosing the contribution(s). (11 CFR § 104.7(b)(4))

Please amend your report to provide the missing information or a detailed description of your procedures for requesting the information. For more information on demonstrating "best efforts," please refer to the Campaign Guide.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee

will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. For information about the report review process or specific filing information for your committee type, please visit www.fec.gov/help-candidates-and-committees. For more information about Requests for Additional Information (RFAI), why you received a letter, and how to respond, please visit www.fec.gov/help-candidates-and-committees/request-additional-information. Should you have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1620.
