Reference Item 1 of Notice dated August 16, 2026 - Receipt of Prohibited Contributions.

The Campaign accepted a donation from a family friend with funds from the family business account. The compliance firm responsible for vetting our donations did not catch that the donation was remit with funds from a corporation.

Upon receipt of the above-referenced Notice, I informed the candidate that a full refund of \$3,500 is due Heritage Excavation Inc., within 30 days of my awareness of this donation (8-16-26).

On Friday, September 4, 2026, a Cashier's Check in the amount of \$3,500.00, drawn against the Campaign bank account, was mailed to Heritage Excavation Inc., Beebe, AR

I will report this transaction on our October 15 Quarterly Report.

Reference Item 2 of Notice dated August 16, 2026 - Contributions Exceeding Legal Limits.

The Campaign accepted two contributions from Vivian Leal, a check for \$3,000 in December, 2025, and a second donation for \$2,500 in February, 2026, via Act Blue.

I discovered this excess aggregate contribution level when I filed our July 15 Quarterly Report and reported it on the Loans, Debts & Obligations Schedule.
