In regard to your letter Reference: February Monthly Report (01/01/2011-01/31/2011) dated September 29, 2011:

1. Amendments have been made to the February Monthly Report to reflect the correct fixed percentage for the Republican Party of WI's allocated federal and non-federal administrative costs.
2. None of the disbursements shown on Line 21(a) in 2011 were made in whole or in part from non-federal funds. No transfers were made from our non-federal to our federal bank account and therefore no overpayments were made from the non-federal account as a result of the error on Form H1.
